

BBS Time Clock App

- Easy to Use
- Use any browser or FileMaker on any desktop, tablet or smart phone to clock-in and clock-out
- Track paid or unpaid breaks and lunches
- View your labour costs in real-time
- Can track GPS locations on some devices
- PIN Based Entry, you can define the number of digits required for quick clock-ins and clock-outs
- Manager Controlled Edits, staff can enter a note if they forgot to clock-in or clock-out and the manager can make corrections from their desktop or iPad
- Reports can be generated for a single employee or all employees for any date range
- Linked to the Employees table of the Graphics Manager, Enterprise Manager and Digital Print Manager
- Requires FileMaker Server 17 and up

Designed for:

Graphics Manager

Enterprise Manager

Digital Print Manager
